**Comments:**

9/14/99 - Letter sent to close file based on Jon Young's company is in this same location and Mr. Young is the one operating this area. Mr. Young's file number is S/043/019. DOGM (Lynn Kunzler) inspected the site 9/9/99.

8/31/99 - Received phone call from Mr. Hansen's attorney, Chris Jones. He is sending letter to request closure of this permit. Mr. Hansen has just learned that he no longer has rights to the property. Mr. Hansen is a very small operator and has taken very few ton out of the site (about 5 ton this year). Jon Young has come in the area and is taking several hundred ton out per day. Mr. Hansen does not want the liability of the operation being put on his permit as they are both in the same location. He would like an expeditious turn around to his request.
